

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The newspaper/broadcast

cross-ownership cap is a crucial element of our democratic media, and it should not be weakened.

This government was created to be an equilizer on behalf of ALL it's constituents. A completely deregulated enviroment is an oligarchy, not a free society! What is happening now with media cross-breeding and in-breeding is only an example of the few controlling what the many hear.
